Start
25/06/2024
* Poynton Methodist Church Hall (SJ 923 836 - SK12 1RD) on Saturday 6th July at 6am.
* Tea or coffee, toast and jam, from 5am. There will be boiling water if you bring one of those instant porridge pots.
* We are using eBrevet 24-67 (see below) but you must still pick up a Brevet Card from me.
* Please don't download the eBrevet until a couple of days before in case there are any late changes.

Parking
* There is free parking outside the Church Hall but you must use the long-term spaces otherwise this could become an expensive weekend. When I say "free", it is expected that it will become Pay-and Display during 2024 but we don't know when or what it will cost, so bring coins.
* We have used this car park for many years without reported incidents but you park at your own risk.

Friday night
* You may sleep in Poynton Methodist Church Hall on Friday evening 5th July. This is free but a donation of £5 towards the hall hire won't be refused! We have the hall from 7pm on Friday and I will supply airbeds and blankets, tea and coffee. It's "lights out" at 10pm as we've an early start in the morning.
* Other accommodation options for Friday night are the Travelodge at nearby Adlington and the many hotels adjacent to Manchester Airport. There is also the nearby Elms Caravan Park.
* Poynton offers a fine choice of fish & chips, Chinese, Indian, Pizza. Feel free to drop in on Friday evening to enjoy your takeaway meal, and we'll find plates and crockery.

Route
* The route sheet and GPX file can be downloaded from http://www.peakaudax.co.uk/Kirtons.html. Note that the GPX file is in a zipped folder so you'll probably need to unzip that before it will work on your device.
* Even if you don't use the route sheet on the ride, please **check out the useful tips in red** that your GPX might not show you.

Help you make it through the night
* You should carry sufficient supplies during the night.
* Morrisons in <u>Gainsborough</u> (211km) closes at 9pm, and the café stops serving at 5pm.
* McDonalds in <u>Boston</u> (295km) is supposed to be open 24 hours, but they may be drive-thru only after 11pm so will not serve you.
* Our usual control at the village hall in <u>Corby Glen</u> (340km) will have hot food, drinks and airbed and blankets. We may limit your nap to 3 hours if we get riders queueing.
* There are 24-hour services at <u>Donnington</u> (404km) and <u>Uttoxeter</u> (448km).

Bag Drop, Left Luggage – not on offer!
* I am unable to offer a bag-drop facility so you must carry all that you need.
* You cannot leave anything at the start control as the hall is in use by others throughout the weekend.
* Please get in touch if you want to leave a SMALL bag with me, but you won't be able to retrieve it until after 6pm on Sunday.

Finish
* I must have your completed Brevet Card after the ride. If you are back before me, register your eBrevet using the QR code on the post box outside the Church Hall and leave your signed card in the box.
* We have the Church Hall booked on Sunday from 6pm-10pm. There may be someone before that in Poynton Costa so look for an Audax UK sign there.
* You must not drive until you are fully rested. There will be beds and blankets in the Church Hall until 10pm. For a reminder of what can wrong, read **https://yacf.co.uk/forum/index.php?topic=128517.msg2893923#msg2893923**.

Validation
You have to convince me that you have visited all the controls, and the best way to do that is by using <u>eBrevet 24-67</u>.

Download the app to your phone from **https://eb.audax.uk**

To download the event eBrevet, select Menu (three dots) and click Settings, enter ride code 24-67 and SAVE. Select Menu again and Download Brevet

At each control, press the blue bicycle icon then press register. If it tells you that you are in the wrong place, try again as it takes a few seconds for your phone to catch up with your location. After 2 further such failures consider that you might actually be in the wrong place!

If you are late for the Binn Green control (29km) answer the Info Control on your Brevet Card but you must catch up for Askern control (93km).

You must reach Donnington within the time limit so don't stay too long at Corby Glen

Don't forget the first and last controls!

If you miss any eBrevet controls, you should get a till receipt from anywhere suitable (see the route sheet for suggestions).

Mike Wigley

A Pair of Kirtons 600

Saturday 6ᵗʰ July 2024 [24-67]

organised by Mike Wigley to Audax UK regulations

602.0	Finish Control at Methodist Church Hall

If you finish before 6pm please
-upload your eBrevet after registering the final control
-sign your Brevet Card and put it in the post box on the fence outside the Hall, including any receipts for any controls you missed with the eBrevet.

If you abandon please ring/text 07931 911324
