

# Elland Ride 50

30/10/2021 [2]

All Leeds United supporters might know of Elland Road, but do they know where Elland itself is to be found? It's about 25km from Saddleworth, in the former West Riding, but it's a lumpy 25km, as you'll soon discover as you climb out of the Tame Valley at the start and drop into the deep valleys of the Colne, the Calder, and later the Ryburn, so you'll need good brakes and strong legs. Use the eBrevet app!

For a successful validation, you must:

- enter at **[www.delphcyclist.info/EllandPerm.html](http://www.delphcyclist.info/EllandPerm.html)** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
  - downloading the [eBrevet](#) - see **[www.delphcyclist.info/eBrevet.html](http://www.delphcyclist.info/eBrevet.html)**
  - or recording a [GPS track](#) (must be .GPX format) showing you visited each Control Location
  - or collecting [till receipts](#) or ATM slips from anywhere at the Control Location
- completing [all](#) the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

**Controls:** The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within ½km of the locations below (indicated by Grid Reference and [what3words.com](http://what3words.com)). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

**eBrevet:** Ride Code **MW28** (see [www.DelphCyclist.info/eBrevet.html](http://www.DelphCyclist.info/eBrevet.html) for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).
